WELCOME

Welcome to *Avaaz* and a night in the theater that celebrates family while bringing us closer to a world and culture that is at once both familiar and totally new. We love stories at Chicago Shakespeare Theater that expand our horizons and connect us more completely with the world in which we live, so we're especially happy to be able to bring you a night in the company of Michael Shayan and Roya. This year promises to be full of special experiences for you to enjoy here on Navy Pier and this story reminds us that, despite our divisions, if we remain hopefully optimistic then a greater mutual understanding is always possible. And what better way to explore these themes than being ushered into one of the most gloriously colorful and decadent rooms to enjoy what might possibly be your first Nowruz.

Thank you for joining us and have an entertaining and joyful time at the theater—

Edward Hall
